Superintendent's Highlights

Gooding School District has just completed the first year of a \$3 million dollar, three year 21st Century Grant. It has provided school activities for students and community before and after school, as well as a summer program. Keeping our school library open has encouraged parents to come with their children to read and take accelerated reading tests. The computer labs have been open for use and classes have been taught on how to use the computers as well as computer curriculum. Academic tutors, mentors for students to assist in reaching academic and social goals, enrichment activities, and recreational activities are some of the funded activities. The program buses students home after the sessions end. For those envious, there are some hidden operating costs not funded by the project.

Progress Towards Meeting District Goals

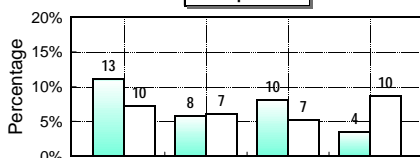

2000-01 Goals	Progress
Improve Reading Scores	Our IRI show improved reading skills at all grade levels. Our kindergarten scores for fall 2000 had 30% at level 1. The spring 2001 scores show only 12% at level 1. Our first grade scores have improved from 37.5% at level 1 in the fall of 1999 to 7% at level 1 in the spring of 2001. Our second grade had 51% at level 1 in the fall of 1999 and only 13% in the spring of 2001. The third grade had 45% at level 1 in the fall of 1999 and has 30% in the spring of 2001. Overall we are happy with the growth.
Review and Revise Policies	The student section of the policy manual was reviewed and revised this year. At drug testing policy is still being reviewed. Enforcing our attendance policy has been a challenge for a few students that didn't take the policy seriously.
Strategic Plan Review	The district developed a strategic plan in 1999-2000. The district made progress on most of the plan and is ahead on some aspects. We will be reviewing the strategic plan and updating it this summer.
Century 21 Grant Implementation	The Century 21 Grant was implemented in the fall of 2000. We have had great response in the before and after school program. This spring we had nearly 300 students involved in academic and enrichment programs. Parent involvement in the library has been good.
